

## **Important Notice**

Clyde Bergemann (Malvern, PA) is now Delta Ducon, LLC. While our website is under construction, all future orders related to Material Handling & Air Pollution Control equipment should be placed with:

Delta Ducon, LLC  
35 Sproul Road  
Malvern, PA 19355  
Phone: 610-695-9700  
Fax: 610-695-9724  
Email: [info@deltaducon.com](mailto:info@deltaducon.com)

Clyde Bergemann will NO LONGER be accepting orders for Material Handling & Air Pollution Control equipment. Delta Ducon will continue to inventory and support all of your current and future needs.

Delta Ducon is a leading manufacturer and supplier of Material Handling Systems & Components and Air Pollution Control Accessories.

Based in Malvern, PA the Delta Ducon product lines dates back to the early 1920's and is established as a leading supplier of systems and components for all types of dry bulk materials especially those which are considered abrasive, severe or difficult to handle. Known for such equipment as Extreme Duty Rotary Valves, PERMA/flo Abrasion Resistant Pipe & Fittings and SPIRA/flo Pipe for Plastics and Like Products.

Delta Ducon expands its portfolio to include Environmental Elements Corporation (EEC), one of the largest Air Pollution Control suppliers in the Americas.

With a well established solid product line, a large base of installed systems & components, a staff of experienced personnel and a \$4 million inventory, Delta Ducon is positioned to be a major supplier in the industry.

We thank you for all your past and future business.

Please feel free to contact us with any questions regarding this notice.

Very Truly Yours,  
Delta Ducon, LLC
